Golden Craftsmanship

Each luxury lift & recline chair is hand crafted in our facility using decades of motion furniture experience.

Added Comfort and Safety

Designed to perform year after year using advanced technology backed by the best warranty.

Smart Engineering

Smooth, quiet lifting system offers a secure lift for the best performance.

Smart Tek

In the event of a malfunction, our patented SmartTek™ diagnostic system enables you to get your lift chair up and running quickly.

Literature is current at time of printing. Golden Technologies reserves the right to make changes to the product or literature at any time.

Sizes may vary depending on fabric, filling material, upholstery and carpet thickness. All measurements taken on concrete floor using levels and metal rulers.
