# We have come a Long Way in 80 years.

In **1933**, W. Ray Jackson founded Jackson Furniture in the midst of the Great Depression. We opened our doors the day the banks closed theirs. Since then our family has continued to create furniture, **right here in the USA**. We have seen decades of American prosperity, challenge, war and mind-blowing advancements in science and technology. **Our family** has never forgotten the way our company and country began, with **perseverance, hope and hard work**.

Throughout all of those decades of change, one thing remains constant: **Families love to relax together** in a room filled with comfortable furniture. That is where we have been, and will **always**

# LEATHER RECLINING FURNITURE

## Let the Kids have fun - Leather can take it:

"Leather Touch" is the registered name for Catnapper's deluxe line of upholstered furniture featuring luxurious top grain cowhide everywhere the body touches. Correlated with this is a premium synthetic leather on the outside and back. The comfort, strength, and durability of genuine leather priced right for today's homes.

Every hide is uniquely enhanced by natural features that assure individuality.
