LEATHERS

All our leather types and colors are deep-dyed. Some colors have been enhanced with a two-tone effect. Color nuances are normal and to be expected. Leather absorbs moisture and breathes. Color changes will occur with time, as a result of use and the effects of sunlight.

ABOUT LEATHER

Leather is a beautiful, vibrant and durable upholstery material. The play of color in the leather and the natural markings make each piece of furniture unique. Ekornes® buys upholstery leather from leading tanneries throughout the world. Our hide selection process, overseen by our own inspectors, utilizes the most stringent international quality control standards.

BATICK

A corrected through-dyed, pigmented and grain embossed upholstery leather, which has had most of its natural marks removed. A protective layer of lacquer allows spills to be easily removed. Easy to clean and attractively priced, Batick is a popular choice for those who want a more resilient leather.

CORI

Cori is a corrected, pigment improved and grain embossed upholstery leather. Cori has a substantial body and a distinct pebbled grain. Most of its natural marks are removed. Cori has a tip-shine which adds depth and character to the surface. Some colours have two-tone/ tone on tone-effect. A protective layer of lacquer simplifies cleaning. Cori is a wise choice if you want leather with excellent utilisation properties, a robust structure and an exclusive look.

PALOMA

An through-dyed upholstery leather with a combination of dyes and pigments in the finish. Paloma has a natural grain pattern and visible natural marks. The light finish improves the leather's physical properties and yields a more uniform color. With its rich, luxurious feel, Paloma is the preferred choice of those who want a soft, authentic look in a leather that breathes well.

PIONEER

Pioneer is a luxurious full grain aniline pull-up leather. This exclusive and delicate quality retains the full original grain of the leather, and is treated with waxes, oils and transparent dyes. This enhances the soft touch and natural appeal, offering deep, vibrant colors and a beautiful luster. The full-bodied leather sensation and natural transparent look will gain patina and become even more beautiful with age. On an exclusive leather like Pioneer you will find natural characteristics like color nuances, difference in structure, marks and skin blemishes. Pioneer absorbs moisture easily and is vulnerable to heat, sunlight, spills and perspiration. Regular care and precautions are important to keep the luxurious and elegant appearance.

LEATHERS

NOBLESSE

Noblesse is the most exclusive leather quality offered by Ekornes. It is a full grain semi-aniline, which means that it is dyed all the way through and has only a thin protective topcoat. This allows the leather to keep the natural softness and lustre that characterises a first-class furniture leather. A natural material like Noblesse retains its original grain and structure. Minor color nuances and skin blemishes may also occur. Such individual details could lead to slight variations in different parts of the furniture cover. Although the topcoat provides a measure of protection, Noblesse is the most delicate of the leather qualities that Ekornes uses. It absorbs moisture easily, and is more vulnerable to wear and tear, heat, sunlight, spills and perspiration. Regular maintenance is important to keep its attractive appearance.

FABRICS

ULTRASUEDE is only available on products produced in Morganton, NC. Recliners are not available in Ultrasuede.

DINAMICA is a well-known micro fiber-quality fabric, with an appearance that resembles chamois leather. It is soft and very comfortable, breathable and non-static. Easy to keep clean and highly water resistant.

2021 Landed Prices:

All prices in the 2021 price list include freight to destinations within the lower 48 states and all Canadian Territories. All prices are landed door-to-door to dealers' location. Freight charges for destinations outside above mentioned area will be the responsibility of the dealer and Ekornes will pay for freight to the border or ocean port of the dealer's choice. For shipments for destinations outside United States, the dealers will be responsible for all brokerage charges, duty and other additional charges that may occur. Ekornes will choose all freight carriers. If dealer specifies other carrier, then the dealer will be responsible for all freight charges on a COD basis. In this case no price adjustments or freight refunds will be issued.

Return Policy:

No returns unless authorized by Ekornes. Returns will only be authorized for merchandise which was incorrectly shipped by Ekornes. No returns will be accepted without original packaging material and box.

If there are visible signs of freight damage, please do not refuse the shipment. Please sign the shipping documents, "Subject to Inspection". Notify Ekornes immediately.

Claims:

Dealer is responsible for claims and services for their consumers. Any claim issues coming from a consumer should be directed towards the selling dealer. Ekornes will not handle claims coming directly from consumers. Only in cases where the dealer no longer exists will a consumer claim be handled directly by Ekornes.
